SEABORN

DATA CLEANING

01

Stripping whitespaces from columns

02

Duplicated values

03

Getting rid of irregular readings

04

Focusing on entries only

05

Eliminating outliers

06

Eliminating false readings

(negative values, huge values)

CONCLUSION

- There is a correlation between traffic and fare evasion crimes
- Holidays are a big cause of fare evasion crimes
- Almost everyone commits fare evasion crime
- Heavy crime stations will continue to grow

RECOMMENDATIONS

01

DISTIRBUTING MANPOWER (PLOICE OFFICERS) DURING THE **HOLIDAYS**

02

SURVAILING THE ALREADY **KNOWN STATIONS FOR CRIME**

03

DISTIRBUTING MANPOWER (PLOICE OFFICERS) DURING THE **WEEKENDS**

THANKS!
